

WITS Changes – 15.7.0 Release (SUD)

5/19/2014

In the 15.7.0 Release 1 bug was repaired in WITS. Below is the summary of the error and the resolution of the problem.

- 1) Encounter: Start/End Time Required' indicator for services is not working properly **Resolution:** Start and End Times were being required even when the 'Start/End Time Required' indicator (on the System Admin - Service Profile screen) for the selected service was set to NO. This has been corrected.

Below you will find a summary of the changes to WITS for the 15.7.0 release (which took place May 20, 2014). When these changes are made in Idaho-Mountain and Idaho-Pacific, the top right portion of your screen will say 15.7.0.
